To:	MAYOR AND COUNCIL	Agenda Item No. <u>IV. D.</u>
From:	Wayne D. Houle, PE Director of Engineering	
Date:	September 19, 2012	
Subject:	Hansen Road Retaining Wall Maintenance, Improvement No. A-245	
Date Bid Opened or Quote Received: September 7, 2012		Bid or Quote Expiration Date: November 7, 2012
<u>Company</u>		<u>Amount of Quote or Bid</u>
1. Sunram Construction, Inc.		\$ 59,999.00
2. Structure Hardscapes Specialist, Inc.		\$ 62,166.86
3. Rosti Construction, Inc.		\$ 69,948.00
RECOMMENDED QUOTE OR BID:		
Sunram Construction, Inc.		\$ 59,999.00
GENERAL INFORMATION: This project will rehabilitate the retaining wall that is located along Hansen Road at Garden Park. The existing wood wall is leaning out into the park area creating a potential hazardous situation. The project includes a large modular concrete block wall that is similar to the retaining wall placed along France Avenue for the recent sidewalk project. A black vinyl chain link safety fence will be placed along the top of the wall. This project is considered an emergency repair and was approved by City Council on August 21 as described in the Allocation of 2011 General Fund Undesignated Fund Balance. Staff recommends awarding this project to Sunram Construction, Inc.
